

# Greater Manchester MATHS AMBASSADOR

## The Role:

- **Promote the value of maths** within your organisation, with colleagues, learners, apprentices and employers
- To **champion maths across Greater Manchester**
- Share **good practice and resources** across the Maths Ambassador Network
- Be available to **help and support other Maths Ambassadors**
- Develop a **case study**
- **Engage in the full Multiply PSP** offer including:
  - Workshops
  - Webinars
  - Organisational Consultancy
  - Professional Exchange
  - Mobile App

## Benefits of becoming a Maths Ambassador:

- Up to **3 hours 1-1 online coaching** – focused on your own maths practice, and how you can champion maths
- An online **Maths Ambassador Toolkit**
- **Maths Ambassador Training** – focused on how to champion maths within your organisation, with learners and apprentices, with employers and across Greater Manchester
- **Quarterly Maths Ambassador Professional Exchange** – an opportunity to network with other Ambassadors and share best practice
- Access to a **Maths Ambassador online community/forum** – to network and engage with other Ambassadors online
